We've Got It All.

Twenty-five years ago, the Starship Enterprise™ set out on its journey through the far reaches of space . . . the final frontier.

Now, a quarter-century later, Star Trek's world-wide appeal is still travelling at Warp Speed. Captain Kirk and the crew of the Starship Enterprise™ are bound for their sixth major motion picture. Original television episodes are shown over 200 times each day in 45 languages. And merchandisers everywhere are lining up for Star Trek's Silver Anniversary year.

Data East now brings this excitement to your location with our 25th Anniversary commemorative pinball game.

So don't miss out on the opportunity to take your collections out of this world. After all, millions of fans can't be wrong.
